Copy of Roc.No.1570- B.52. of the District Health Officer South Kanara dated 5.6.52 to the President District Board South Kanara and Copy to this office.

Subl Establishment-Public Health- Soil Sanitation Engineering Maistry-Service continuance of- requested :
Ref.-Your letter Ref.A.5..5003-52. dt 28.5.52.

...

As per the orders issued in your letter quoted above, the services of the Engineering Maistry has been terminated with effect from the 1st of June 1952. As a result of the termination of the services of the Engineering Maistry much difficulties are now being experienced by this department in the execution of soil sanitation work in this district. In this connection I would like bring to your kind notice the following facts for your consideration and necessary action.

p.t.o.

As per G.O.No.Ps.1685- P.H.dated 7.5.49, the District Health Officer is to prepare the data and abstracts for the estimates for the construction of septic tank and other waterborne types of latrines for the Panchayat Boards, District Board and those to be constructed from Government Grants on contributory basis, and he is also required to supervise and the checkmeasure the construction of the above works, in panchayats as well as in non-panchayat areas. The estimates have to be prepared correctly making provision for each item of work paying due regard to the local rates of materials and labour charges, which often vary in relation to place and time. The Health Inspectors and the ministerial staff of this office are unable to attend to the preparation of estimates and supervise the execution of the work on the spot.

According to the orders in G.O.No.1155 P.H dated 8.4.47 the work of constructing septic tank latrines should be carried out by the Public Health Department under the supervision of the District Health Officer, concerned with the aid of the Local Fund Engineering staff, or the Health staff in the district. The aid of Local Fund Engineering staff referred to in the G.O. is obviously technical advice whereever necessary. Moreover there is no L.F.Engineering staff in this district. The Highways Engineering Department is not prepared to accept the work of preparation of estimates for the above works and they find no time to attend to this or the works in District Board or Panchayat areas, and as a result the soil sanitation work will suffer enormously.

The Government in their press communique No.1 annexed to Government order No.662 Dated 28.2.49, have instructed to carry on a vigorous policy of Septic tank and waterborne type of latrine construction in rural as well as in urban areas. Accordingly estimates for the construction of waterborne type of latrines for the Educational Institutions and Travellers' Bungalows under the District Board were sent and the necessary approval was got from the Board for the execution of works. The Executive Officers of Major Panchayat Boards and the Presidents of Minor Panchaysts were also requested to get as many modern type of latrines constructed by the Panchayat Board in important coentres like Bus stand, Markets, etc., for the Public use. Some of the works have already been completed and some are under execution. Some private parties are also coming forward to provide flush-out types of latrines for their houses. The refereness received from the executive authorities of Panchayats and the petitions received from private parties for the preparation of estimate and plans for the waterborne type of latrines are pending in this office for want of the services of an Engineering Maistry. Unless the regular posts of two engineering maistries sanctioned to this office in resolution No.4602 of the District Board dated 2.5.1949 are filled up soil sanitation work in this district cannot be pushed through vigorously as ordered in the G.O.referred to above. Under the circumstances I would request you to reconsider your orders and permit me to continue the post of the maistry already made. The Inspector of L.F. Accounts may be addressed to waive the objection as it is not possible to employ the Maistry for a particular work as he will be entrusted with not only preparation of estimates for many works and supervision of works for the District Board or Panchayats but also assist and advice the Public of the locality he visits in the construction of modern type of water borne type of latrines till the local masons and workmen acquire sufficient knowledge about its construction.

(.True copy).

for Director of Public Health Madras.

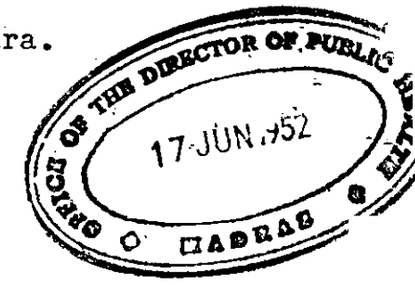
25/7/52

21/7/52

Ref.A5-5003-52. South Kanara District Board office,
60608 Mangalore, dated 9-6-1952.

From

Sri B.Manjaya Hegde, B.A.,B.L.,
President, Dt.Board, South Kanara.



To

The Secretary to Government,
Health Department,
Madras.

Through

The Director of Public Health.
Madras.

Sir,

Subject: ESTABLISHMENT- Public Health - sanitation South Kanara District Board - employment of an Engineering Maistry for supervising the work of latrine construction - payment of pay and allowances - ratification- requested.

The Health Department is required to carry on a vigorous campaign in the matter of construction of septic tank latrines and other modern water-borne type of latrines in rural as well as urban areas in accordance with the instructions issued in Government memo No. 44939-2-E1- P.H., dated 18-10-1944 and G.O.No. 662 P.H., dated 28-2-1949 and to prepare estimates for the latrines to be provided by the District Board, Panchayat Boards and Government and to supervise the construction work as per G.O. Ms.No. 1155 P.H., dated 8-4-1949 and G.O. No. 1685 P.H., dated 7-5-1949. In pursuance of these instructions, the District Health Officer, South Kanara, had applied for the sanction of posts of Engineering Maistries on a pay of Rs. 25/- plus usual Dearness allowance and a Fixed Travelling allowance of Rs. 27/- p.m. for attending to the preparation of estimates and supervision of works as these works cannot be got done either by the clerical staff of his office who have no technical knowledge in preparing these estimates or by the Health staff who are otherwise engaged. Accordingly two posts of Engineering Maistries on a pay of Rs. 25/- plus F.T.A. of Rs. 27/- p.m. were sanctioned by the Special Officer, District Board, South Kanara in his proceedings No. 4602 dated 2-5-1949 (copy enclosed) and one post was filled with effect from 19-2-1951 by the District Health Officer, South Kanara by appointing one Sri M. Babu on a pay of Rs. 25/-, a Dearness allowance of Rs. 19/-, a Fixed Travelling Allowance of Rs. 27/- and a House rent allowance of Rs. 3/- per month with his Headquarters at Mangalore. Necessary provision for this item of expenditure has been provided for in the Budget estimate of this Board under IV Public Health--2 Preventive medicine-- 7. Sanitation (i) Public conservancy (a) Staff and (b) Contingencies.

2. In para 12 of Audit Report on the General Funds Account of this District Board for 1950-51 (copy enclosed), it is pointed out that the regular appointment of the Engineering Maistry made by the District Health Officer is irregular in view of the fact that G. O. Ms.No.298 (P.W.D) dated 28-1-1949 communicating a copy of letter No. 4176-H/48-13 dated 4-1-1949 of Chief Engineer (H) Madras permits the employment of men with practical experience for supervision and execution of latrine works under work-charged establishment.

p.t.o

3. In this connection, I have to point out to the Government that the District Health Officer, South Kanara had appointed an Engineering Maistry who has practical experience in the preparation of estimates and also in the construction of septic tank latrines. As skilled men are always not available for appointments at the time of execution of work and the work of preparing estimates cannot be got done by the clerical staff of his office, the Engineering Maistry had to be entrusted with the following items of works by the District Health Officer:--

(1) Preparation of estimates for construction of septic tank and other type of flush-out latrines by the District Board, Panchayats and Government institutions.

(2) Supervision of construction of the above said type of latrines and also to give necessary technical advice to the Factory owners and private Educational institutions who put up these type of latrines.

(3) To assist the Health Inspectors in carrying out soil sanitation works within their respective ranges.

(4) To prepare plans of the various type designs of latrine for supply to the parties who agree to put up latrines.

Since the appointment of the Engineering Maistry, the following latrines are reported to have been got executed by the District Health Officer under the direct supervision of the Engineering Maistry :---

	Name of work	Cost Rs.
1)	Flush-out type of latrine with 2 seats attached to L. F.Dispensary, Barkur	939/-
2)	do attached to Board High School, Karkal	940/-
3)	do L.F.Hospital, Karkal	900/-
4)	do at Karkal (public latrine) by Panchayat Board, Karkal	600/-
5)	do at Beltangady by Panchayat Board	900/-
6)	do attached to L.F.Hospital, Beltangady	950/-
7)	do Udyavar Fish market by Dt.Board	675/-
8)	do Bath-rooms of Dt.Board T.A. at Kasaragod	285/-
9)	do T.B. at Manjeshwar	280/-
10)	Public septic tank latrine with 4 seats at Trikarpur by the Panchayat Board ..	4200/-

The Engineering Maistry has prepared and furnished estimates in respect of the following District Board works :---

		Rs.
1)	Flush-out type of latrines with 6 seats to Bd.Hr.Ele.school, Padubidri ..	1700/-
2)	do do Palimar	1700/-
3)	do do Kasaragod	1900/-
4)	do with 2 seats do Bailur	700/-
5)	do do do Moodabidri	700/-
6)	do with 3 seats Board High School, Puttur (revised estimate) ..	1200/-
7)	do Septic tank latrine with 6 seats to Board High school, Mulky	3140/-
8)	do with 4 seats do do ..	2650/-
9)	Flush-out type of latrine with 4 seats to Board Hr.Elementary school, Uppinangady) ..	1555/-
10)	Septic tank latrine with 6 seats to Board High school, Bellare	2780/-
11)	Flush-out type of latrines for the following District Board TRAVELLERS' BUNGALOWS :--	
	(1) Baindur	440/-
	(2) Coondapur	480/-
	(3) Moodabidri	270/-
	(4) Buntwal	270/-
	(5) Karkal	270/-
	(6) Mulki	260/-
	(7) Beltangady	275/-
	(8) Ferrangipet	280/-
	(9) Surathkal	240/-
	(10) Gurpur	280/-
	(11) Kumbla	280/-
	(12) Puttur	260/-
	(13) Udipi	270/-
	(14) Hosdrug	260/-

4. In view of the audit objection, the services of the Engineering Maistry were terminated with effect from 1-6-1952 and the post has been kept vacant pending further orders of Government in the matter of continuance of the post as the same is found to be quite necessary by the Dt.Health Officer. I therefore request that the Government may be pleased to reconsider their orders and ratify the appointment of a whole time Engineering Maistry made by the District Health Officer, South Kanara.

For President.

Copy to the Dt.Health Officer,S.K.
Hys/13-6.

Extract from the proceedings of the Special officer, District Board, South Kanara, dated 2-5-1949.

4602. Read resolution No.1916/19-4-1948 sanctioning the post of a Supervisor and a Peon on Rs. 70/- and Rs.16/- p.m. respectively for the preparation of plans and estimates for the construction of septic tank latrines and for soil sanitation work.

Also this office letter Rc.5229-A4-48 dated 22-4-48 requesting the Government to accord sanction for the creation of a post of a Supervisor and a Peon on Rs. 70/- and Rs. 16/- respectively.

Also memorandum No.5715-R-48/3 dated 5-3-49 of the Government of Madras with the letter No.4176/H-48-13 dated 4-1-1949 of the Chief Engineer (Highways).

Also letter Roc.706-B-48 dated 20-3-1948 of the District Health Officer, South Kanara requesting the Special officer, to sanction the creation of 2 posts of Engineering Maistries for the construction of septic tank latrines attached to the Board schools on a pay of Rs. 25/- p.m. with usual Dearness allowance and fixed Travelling allowance of Rs. 27/- p.m. provided that they put in 25 days tour in a month.

RESOLUTION: " SANCTIONED TWO POSTS OF ENGINEERING MAISTRIES ON A PAY OF Rs.25/-(TWENTY FIVE) AND A F.T.A. OF Rs.27/- (TWENTY SEVEN) PER MONTH."

12.6.52

Para 12 of AUDIT REPORT on the General Fund account of the South Kanara District Board for the year 1950/51.

EMPLOYMENT OF ENGINEERING MAISTRY:

Vr.3865/3-51 on Rs. 25/- plus D.A. Rs.19/-, F.T.A. Rs.27/- and House Rent allowance Rs. 3/- i.e., Rs.8-15-0 plus 6-13-0 plus 5-6-0 plus 1-1-0 = Rs. 22-2-0.

In G.O.Ms.No. 298 dated 28-1-1949 the Government communicated to the Special Officer, Dt.Boards for information and necessary action a copy of letter No. 4176 H.48-13 dated 4-1-1949 of Chief Engineer (H) addressed to Secretary to Government, Public Works Dept. and in memo No. 5715-R-483 PWD dated 5-3-1949 Government requested Special officer to take necessary action in accordance with the recommendation of Chief Engineer, in the matter of employment of staff for construction of septic tank latrines, Chief Engineer had recommended the employment of men with practical experience for supervision and execution under work charged establishment. In resolution No. 4602 dated 2-5-49 the Dt.Board sanctioned two posts of Engineering maistry on a pay of Rs. 25/- and F.T.A. Rs.27/-. In D.Dis.No.3024-50 dated 13-2-51 of Dt.Health Officer one was appointed on Rs.25/- D.A. Rs.19/-, H.R.A. Rs.3/- and F.T.A. Rs.27/- from 19-2-1951.

When Chief Engineer has recommended the employment of staff under work charged establishment the circumstances under which a regular appointment with D.A. was made may be stated. No information was available as to what work he was supervising from 19-2-1951 the date of appointment and why expenditure should not be debited to works concerned.

Please also state whether this payment of F.T.A. at Rs.27/- and fixing the headquarters at Mangalore has been recommended by Chief Engineer to admit payment of fixed travelling allowance at Rs. 27/- and H.R.A. at Rs. 3/- per mensem.

****

Sir,

Sub: ESTABLISHMENT - Public Health - South Kanara District Board - Employment of Engineering Maistry - Payment of pay and allowances -

Ref: Government Endorsement No. 34905-E3/3 Health dated 17-9-1952.

****

With reference to the Government Endorsement cited, I have to state that as regards Fixed Travelling Allowance of Rs. 27/- per mensem, there is no rule under which it can be allowed. Under para 62(b) of Madras Public Works Department Code, the maistry can be allowed the cost of transport plus such amount not exceeding the Daily Allowance of his grade, as may be deemed reasonable by the officer ordering the journey subject to the condition that the extra allowance will not be payable unless the journey involves an absence of one night from Head Quarters. The maistry's travelling allowance bills for the last six months may be got examined and the maistry may be allowed the Fixed Travelling Allowance provided it is cheaper than the ordinary Travelling Allowance.

2/ As regards Dearness Allowance, it is paid to Highways maistries and therefore the Sanitary Maistry can be allowed the payment of Dearness Allowance.

3/ As regards House Rent Allowance, Government were addressed to allow this allowance to maistries of Highways Department stationed at places where similar allowance is admissible to Government servants. Government orders are awaited. As maistries of Municipalities are allowed House Rent Allowance under G.O.No. 510 L.A. dated 21-3-1951, there may not be any objection to allow this maistry a House Rent Allowance of Rs. 3/- per month if he is stationed at Head Quarters.

4/ The post of the sanitary maistry should be sanctioned under work charged establishment only.

5/ The enclosures received with Government endorsement are returned herewith.

Sub: Estt. - P.H. - South Kanara Dist. Board - Construction of latrines - Employment of an Engineering Maistry for supervision work - Audit objection - Waived - Creation of post sanctioned.

From the P.D.B., South Kanara, A5-5003/52, dated 9th June 1952.
From the D.P.H., L.Dis.60608-Hyg.(1)/52, dated 21-7-1952.
From the Examiner of Local Fund Accounts, L.F.No. 5321, dated 9th Septr., 1952.
From the Chief Engineer (Highways), No.56620-I4/52-1, dated 4th June,1953.
From the Special Officer, District Board, South Kanara, A5.5003/52, dated 27th July 1953.

ORDER:

A whole-time engineering maistry on Rs.25 p.m., with dearness allowance of Rs.19 p.m. and house rent allowance of Rs. 3 p.m., and F.T.A. of Rs.27 p.m. was appointed under the District Board, South Kanara, for the period from the 19th February 1951 to the 1st June 1952 for supervision of construction of latrines. The Government ratify the appointment with the allowances attached to the post.

2. The Exr. of L.F.Accts. is informed that the Chief Engineer (Highways has no objection to the payment of dearness allowance, house rent allowance and fixed travelling allowance to the engineering maistry referred to in paragraph 1 above and he is requested to waive the audit objection in respect of the above payment.

3. Sanction is also accorded to the

the creation of a post of Engineering Maistry under the District Board, South Kanara, for a period of one year from the date of appointment.

He should be appointed under work-charged establishment but may be paid dearness allowance, house rent allowance, and fixed travelling allowance, as mentioned in paragraph 1 above.

Subject

Estt - D.H - South Kanara D. Bd - Construction of latrines - Employment of Engineering Maistries for Supervision work - Audit objection - Waiver and Sanction for creation of these posts.

The Special Offr, D.Bd. South Kanara, in his f 7 cf proceedings No. 4602 dated. 2-5-49 sanctioned two posts of Engineering Maistries on a pay of Rs 25/- and a F.T.A. of Rs 27/- per month. The D.H.O. filled up one of the posts f 3 cf with effect from 19-2-51. The incumbent of the post, Sri. M. Babu was paid a pay of Rs 25/- plus D.A of Rs 19/- plus F.T.A. of Rs 27/- plus a H.R.A of Rs 3/- at Headquarters at Mangalore. The L.F. Audit Dept have placed the above payments under audit objection as the C.E (H) has recommended the employment of para 2 of f 3 cf the above staff only under work charged establishment and Govt have accepted the recommendation. F.T.A. and H.R.A are admissible for work charged estt. The Exv. L.F Accts who was consulted in the matter has no objection to waive the audit objection and f 11 cf to admit the payments in audit, if the C.E (H) agrees to the proposals of the D.Bd mentioned above. The C.E. (H) stipulates that the post of Sanitary Maistry should be sanctioned under work charged para 4 - f 17 cf establishment only, but otherwise has no objection to the payment of D.A. and H.R.A. As regards F.T.A. paras 2 & 3 - f 17 cf the C.E (H) is for its payment provided it is cheaper than the ordinary T.A. to which the Maistry is eligible. Attention para - f 17 is invited in this connection to the Spl Offr's letter on f 21 cf. The average for the six months period from Dec 1951 is Rs 33/- p.m. Hence the F.T.A. of Rs 27/- p.m.

2.

1

...cheaper and may be allowed. The Secretary may be informed that the C.E. (H) has no objection to the payment of D.A, H.R.A and F.T.A. to the Sanitary Maistry and that the audit objection in respect of the above payments may be waived. The post was in existence only for that period from 19-2-51 to 1-6-52.

A 18/8/53

2 The D.H.O Mangalore considers that it is not possible to get on with Soil Sanitation works without a Sanitary Maistry. The D.D.A S. Kanara requests sanction for appointing a Whole time Engineering Maistry. The employment of a Sanitary Maistry under work charged estt but with payment of D.A, H.R.A & F.T.A. as prescribed in para 1 above may be sanctioned for the D.I.Bd South Kanara.
